Reporting form

Company-owned locations can be registered under the following conditions:

- The location is managed under the **same company name and legal form** (IMPORTANT: Legally independent company locations must register separately for participation in the Initiative Tierwohl).
- The locations must be assigned to the **same ITW stage in the** sense of slaughtering/processing/intermediary.

Changes must be applied for in writing afterwards or - as soon as the technical requirements have been met - notified to the operating company via the database.

*The location numbers at QS and ITW must be identical. Please check your location number in the QS database and update it if necessary.

You will then receive the participation agreement for the selected stage from our contract department. Please return the participation agreement to us by e-mail (**vertragswesen@initiative-tierwohl.de**) after viewing and signing it. The countersigned participation agreement will be returned to you by e-mail and the notified locations will be registered as approved participants ITW.
